Oakley's Q1 sales up 31%

Oakley, Inc. of Foothill Ranch announced an impressive net sales increase of 31% over Q1 2006, or \$199 million. "Our strong first-quarter results are a reflection of Oakley's renewed focus on optics, solid growth and execution in our own retail..." says CEO Scott Olivet.

First-quarter optics net sales totaled \$144.3 million, up 35% from same period of 2006. This growth was driven by

This sale means Orange County is no longer the subprime industry's dominant region. Four of the top 10 lenders have already found buy
