5. SPA OASIS

TerraNova-Nectarine introduces Orga Oasis, an eco-friendly line of products for spa treatments and retail. Enriched with up to 90 percent-certified organic, plant-based ingredients, including wild-crafted shea butter, green coffee, jojoba oil, aloe vera, white and green teas, the products are fragrances with ylang ylang blossoms and geranium essential oils. One-gallon treatment options include the 70 percent-certified organic Green Coffee & Ylang-Mate Stimulating Body Scrub; Scented Shea Butter & Honey Organic Sugar Scrub and the 90 percent-certified organic Ylang & Wild Ginger Heavenly Massage

6. PROTEIN POWER

Originally formulated for a high-end sports club, **Travertine Spa Inc.** recently developed its new Hair Therapy line, featuring Protein Shampoo and Conditioner, in response to clients' requests for take-home versions of the products. Made with pure tea essential oil and Indian gooseberry extract, an ingredient found to help preserve hair color and prevent premature graying, the lightweight formulas of both work to treat dry or damaged hair while reviving its shine and replenishing its moisture. Paraben-free, the products are available in a 16-ounce retail size and 1-gallon back bar size.

For more information, call 1.800.391.4355 or visit www.TravertineSpa.com.

7. WINE FRAGRANCE

United Nectar LLC, exclusive United States distributor of "Tauleto USA" fragrances, introduces the elements of a rich, elegant wine in its new Wine Fragrance. Bold and spicy, this complex fragrance features red grape, Bulgarian rose, sandalwood and oak musk components that combine to create the multifaceted scent. In addition to the 50 mL retail perfume bottles, consumers can bring the wine-scented home with the Wine Scented Diffuser, a small decanter that holds the fragrance for up to three weeks. Other wine-scented products include body lotion, a body scrub, bath and shower gel.
